

Ana was deeply involved in the local community—especially in the local Macedonian community. She was a founding member of St. Dimitria Macedonian Orthodox Church in Henrietta, NY and remained active in the church community throughout her life. She was often seen attending services and board meetings, singing in the choir, or calling bingo numbers. Ana went above and beyond to help those in the Macedonian community acclimate to living in the United States.

Ana loved to travel with friends and family, especially with her grandkids later in life. She was loved by all who knew her, and she will be deeply missed. My heart goes out to her entire family during this difficult time.

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2022

Ms. STEFANIK. Madam Speaker, I rise today to honor Mr. Ken Duberstein for his lifetime of achievements in both the private sector and public service.

Ken Duberstein was born in Brooklyn, New York and grew up loving everything the city had to offer. Duberstein's first political experience as a young boy was handing out leaflets for Republican presidential candidate Dwight

D. Eisenhower during the 1952 election. After graduating from high school, Mr. Duberstein attended Franklin & Marshall College in Lancaster, Pennsylvania. He went on to obtain a master's degree in political science at American University. Mr. Duberstein got his first taste of Capitol Hill with an internship in the office of Republican Senator Jacob Javits from New York. He then went on to work for the General Services Administration in the 1970s and later for the U.S. Department of Labor.

In 1981, Ken joined President Reagan's White House as the President's liaison to the House of Representatives. During this time, he helped Congress push through an extensive tax cut by successfully convincing conservative Democrats to break with their party. In 1987, Ken accompanied President Reagan to the Berlin Wall in 1987 and played a pivotal role in the subsequent summit between Reagan and Gorbachev. Duberstein became White House Chief of Staff in 1988. After his years of public service, Ken opened the tremendously successful boutique firm, The Duberstein Group, Inc.

Ken Duberstein remained steadfast in his patriotism, commitment to country, and served as a mentor to Presidents of the United States, White House Chiefs of Staff, Members of Congress, and countless senior elected and appointed officials. He was deeply respected by both sides of the aisle. On behalf of New York's 21st Congressional District, I am honored to recognize his remarkable leadership and life.

HONORING DOLORES H.
HICKAMBOTTOM

HON. JUDY CHU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2022

Ms. CHU. Madam Speaker, Dolores H. Hickambottom is a true legend in Altadena,

Pasadena and the Greater San Gabriel Valley. Widely admired and greatly respected in the community, she was at the forefront of many monumental issues for over five decades.

Dolores led the effort to desegregate the schools who were part of the Pasadena Unified School District (PUSD). After PUSD had failed to integrate its schools, they were sued by community members resulting in the 1970 landmark case of Spangler vs. the Pasadena City Board of Education. Dolores did everything she could to help the plaintiffs and organized hundreds of residents in the Pasadena area to support them, while at the same time educating people about the racial segregation affecting the school district. Due to the monumental efforts of Dolores and members of the community, the case went up to the U.S. District Court, which ultimately determined that racial segregation existed at all levels of PUSD. As a result, Pasadena was integrated and became the first school district west of the Mississippi to have crosstown bussing.

Dolores also went to great lengths to raise the visibility of African Americans in government. During her early years in Pasadena, Dolores noticed that few African Americans in the community attended city council meetings. They saw the lack of representation in their local government and rightly believed their voices would not be heard. Dolores made it her mission to correct this problem and deliver the representation the African American community deserved. Through hard work and determination, Dolores helped to elect Pasadena's first African-American and second female mayor, Loretta Thompson-Glickman, in 1977, and later served as her field representative. Dolores went on to serve in other important political roles, including as a staff member for California State Senators Walter Stiern, Richard Polanco, and Jack Scott.

Dolores had so many interests and passions, serving on the boards of numerous community organizations from the League of Women Voters to the Pasadena Chapter of the National Women's Political Caucus to Pasadena City College. However, most impressive of all was her service in the Korean War. Dolores was one of the few women serving in the United States Army, and one of the few people of color. Even though the odds were against her, she excelled in her position and was recognized as an outstanding basic trainee. Dolores never forgot her service in the military and joined organizations like American Legion Post 13 so that she could provide support to struggling Veterans. Throughout her years, she made it a priority to help Veterans in the community and was a crucial part in establishing a Veteran's Community Based Outpatient Clinic in the San Gabriel Valley. Dolores' commitment to her fellow veterans will live on and continue to serve those who were brave enough to stand beside her.

For her entire lifetime, Dolores Hickambottom broke barriers, built bridges, and strove to make the world a greater place. She was a hero to the community and her incredible legacy will forever serve as an inspiration to us all.

INTRODUCTION OF THE REDUCING HELICOPTER NOISE IN THE DISTRICT OF COLUMBIA ACT**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2022

Ms. NORTON. Madam Speaker, today, I introduce the Reducing Helicopter Noise in the District of Columbia Act, which would require all helicopters and rotocraft in the District of Columbia to fly at the maximum altitude permitted by the Federal Aviation Administration (FAA) in D.C., with limited exceptions. The exceptions would include active law enforcement and rescue operations, transporting the president and vice president and safety.

I hear from D.C. residents almost daily about helicopter noise. Helicopter noise can harm health, quality of life and the structural integrity of homes. In 2019, I led members of the National Capital Region (NCR) in requesting that the Government Accountability Office (GAO) study helicopter noise in the NCR. Last year, GAO issued its report. GAO found that there had been nearly 90,000 helicopter flights in the NCR from 2017 to 2019. GAO recommended that the FAA develop a mechanism to exchange helicopter noise information with operators in the NCR. The FAA indicated that it would implement such a mechanism, and I also introduced the Washington, DC Area Helicopter Noise Information Exchange Act of 2021 to require the FAA to implement such a mechanism.

I urge my colleagues to support the Reducing Helicopter Noise in the District of Columbia Act.
